

Creative Gardens and Landscapes

About the litting house and happy as the grass was green.

About us

Inspiring, Professional, Unique

Fernhill specialises in the design and development of gardens and landscapes. We implement creative solutions to meet your individual requirements and create a lasting impression.

Outdoor space offers the opportunity for relaxing, entertaining and enjoyment as well as presenting your property to its best potential. Our aim is to bring you a unique design and a genuine return on investment..

For your peace of mind we involve our clients at every stage, maintaining a flexible approach to ensure we provide the right solution for you.

About Fernhill

Fernhill has a hassle-free method of consultancy and design, based on a series of stages that are presented and signed-off by the client for approval before proceeding.

We take a full brief of our client requirements to ensure the design reflects your lifestyle. We also take a full profile of the space to be designed to ensure plants used are positioned to maximise growing and life potential.

With a mix of creative flair, innovation and knowledge of flora we can create a space that is both visually pleasing and practical at the same time.

Our Mission

To assist our customers in appreciating the beauty, pleasure and investment of outdoor living.
